2. Miss Lees shared the focus for this half-term's meeting: Advice for children and parents when receiving/using new devices over Christmas.
Advice from the children included:
 - Put a timer on so you're not on the device for too long
 - Put a password on the app store so adults can make sure the apps are appropriate
 - Make sure the apps and games are child friendly
 - Only speak to family, friends and people we only know in real life online
 - Only go on children's YouTube
 - Use educational apps like TT Rockstars
 - Parents should know the password of the device
 - Don't use devices 1 hour before bed for better sleep
 - Only use a device if you have permission from your parents
 - Parents should look after devices over night
 - Charge devices safely
 - Parents should keep track of what children are doing, whether by checking or using a tracking app

- Ask people for permission before you take pictures of them
