Dear Parents / Carers of Year 2,

As part of Design Technology, we are learning about healthy eating. Next week, year 2 will be trying some different fruit and vegetables as part of a taster session.

If your child has any allergies or medical reason as to why they should not take part, please let me know as soon as possible. If you do not return the slip, your child will not be able to take part in this lesson.

This is not a compulsory activity and children will not be made to try this if they do not wish to.

Thank you

Mrs Hannan.
