6th July 2022

Dear Parents/Carers of Children in Years 4, 5 and 6

Tomorrow morning, Thursday 7th July, your child will take part in an assembly led by Mrs Bull.

This assembly will address the inappropriate use of homophobic language which we are unfortunately hearing more frequently in school.

The intention of this assembly is to provide further education and support to the children in order to try and ensure that use of this language diminishes. We hope this will help children to understand the impact this language will have on others.

Following this assembly it will be made clear to children that any use of this type of language will not be tolerated and there will, of course, be sanctions implemented in line with school policy.

Please support school by speaking to your child about the inappropriateness of homophobic, foul, sexist and racist language.

Thank you for your support.

Yours faithfully

Mrs G Smith
