29th June 2022

Dear Parents and Carers of Children in Year 5

As you know, your child will be moving into Year Six when they return to school after the summer holidays. As this is such a crucial year in your child's education, we have made some changes to the way that English and Maths will be taught.

During the morning sessions, the children will be split into three mixed ability groups of around twenty children. These groups will be taught by the Year Six class teachers, Mrs Shah and Miss Cozens, with the third group being taught by Mrs Cunningham. Each group will be supported by a member of support staff.

In doing this, the children will have access to increased adult support and intervention to help them make the best possible progress in their final year at primary school. The children will have more opportunities to work closely with the teaching staff in order to ensure that their individual needs are met.

These groups will be rotated half-termly so that the children have the opportunity to work with both their class teacher and Mrs Cunningham. We are very excited to have this opportunity to support the children in this way.

Kind regards
Yours faithfully
Mrs G Smith
Headteacher
