| <p><b>2</b></p> <p><b>Beliefs and Values</b></p>          | <p>To know Christians believe that Jesus died to pay for their sins and to restore the close relationship with God that humans were damaging with their wrong choices and behaviour (known as sin).</p> <p>Three days after the crucifixion, Christians believe that God raised Jesus back to life (known as the resurrection), showing that Jesus' death was a victory over sin and death. They feel that they were saved and so the belief is known as salvation.</p> <p>Christians know that physical death still happens, however, Christian teachings state that those who believe in God and live good lives will be given eternal life in Heaven after their physical life is over.</p> <p>Christians believe that after death they will be taken into the presence of God and they will be judged for actions that they have done or failed to do during their lifetime. In St John's Gospel it says that, <i>"God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."</i>(John 3:16), whilst Jesus is quoted as saying, <i>"I am the resurrection and the life. He who believes in me will live, even though he dies."</i> (John 11:25-26)</p> <p>To know Christians are and must be willing to put away the things of the world and serve the Lord with all their heart, might, mind, and strength. There need to be grateful for earthly blessings but strive to view them in the proper perspective</p> | <ul style="list-style-type: none"> <li>• What do Christian believe about death and resurrection?</li> </ul>                                                                                                                            | <p>Christian</p> <p>Death</p> <p>Resurrection</p> <p>Crucifixion</p> <p>Salvation</p> <p>Heaven</p> <p>Eternal life</p> <p>Judged</p> <p>Perish</p> <p>Live</p> <p>Die</p> <p>Blessings</p> <p>God</p> |

They believe that if they <b>repent</b> (are truly sorry for/turn away from) their sins and confess what they have done wrong, they will receive forgiveness from which will lead to them entering Heaven.</p> <p>To know confession is the acknowledgment of sinfulness in public or private, regarded as necessary to obtain divine forgiveness. Catholic confession is referred to as – reconciliation</p> <p>To understand that it is hard to forgive and how challenging this would be to forgive, read Luke 23:34, “Father forgive them, for they know not what they do.” Christians believe that Jesus even forgave those who were putting him to death. This inspires them to show forgiveness to those who have done wrong to them.</p> <p>To know Christians know it is important to forgive sins because God loves them so much, He sent His one and only Son to die for our sins so that we can have eternal life with Him. It is important to understand that if God had not forgiven us, we could never be saved. | 4             | <p>To know no one can tell the actual definition of the meaning of life. For some, it is all about happiness, building a family, and leading life as it is. For some, it is about accumulating wealth, whereas, for some, it is all about love</p> <p>To understand that true meaning for some people, purpose is connected to vocation—meaningful, satisfying work. For others, their purpose lies in their responsibilities to their family or friends. Others seek meaning through spirituality or religious beliefs. Some people may find their purpose clearly expressed in all these aspects of life</p> <p>To know that meaning for us all usually fits into these categories:</p> <ul style="list-style-type: none"> <li>• <i>Coherence</i>: how events fit together. This is an understanding that things happen in your life for a reason. That doesn't necessarily mean you can fit new developments into your narrative the moment they happen, but you usually are able to do so afterward, so you have faith that you eventually will.</li> <li>• <i>Purpose</i>: the existence of goals and aims. This is the belief that you are alive in order to do something. Think of purpose as your personal mission statement, such as "the purpose of my life is to share the secrets to happiness" or "I am here to spread love abundantly."</li> <li>• <i>Significance</i>: life's inherent value. This is the sense that your life matters. If you have high levels of significance, you're confident that the world would be a tiny bit—or perhaps a lot—poorer if you didn't exist</li> </ul> | <ul style="list-style-type: none"> <li>• What is the meaning or purpose of life?</li> </ul> | Purpose<br>Meaning<br>Love<br>Happiness<br>Forgiveness<br>Wealth<br>Family |
