

BRUNSHAW PRIMARY SCHOOL

Inspiring children to be resilient and aspirational learners, within a positive and considerate community

Subject: Art		Year group: 1 Term: Summer 1		Title: Formal elements											
What should I already know • Name primary colours (red, yellow and blue). • What happens when colours are mixed. • That different material can be used to inspire artwork. • That there are different types of line used in artwork. 		Facts/skills I will learn • What abstract art is and how to experiment with composition to create own abstract art • To explore different types of lines and name these (Horizontal, vertical, diagonal) • To name and work with different media (pencil, charcoal, chalk) • Which primary colours are mixed to make secondary colours. • About important artists (Beatriz Milhazes, Bridget Riley, David Hockney, Vija Celmins & Jasper Johns)		Key questions • What does ‘abstract art’ look like? • What different types of lines are there? • Can I name different types of media to draw with? • Which 2 colours are mixed to make...? • Can I name an abstract artist? 											
Key Skills • Creating own abstract art using shapes, taking into account composition. • To draw with control, different types of lines with different media. • To name primary colours and experiment mixing these to create secondary colours. • To talk about the work of important artists.		Experiences that school will provide Exploring different lines to draw to music (Cross curricular link to Music)		<table><tr><th>Key vocab</th><th>Definition</th></tr><tr><td>abstract</td><td>Art work made from colour, shape, and pattern, rather than objects you recognise.</td></tr><tr><td>composition</td><td>Where shapes or objects are placed in a picture.</td></tr><tr><td>primary colours</td><td>red, yellow, blue – colours which cannot be created by mixing other colours.</td></tr><tr><td>secondary colours</td><td>Orange, green, purple – Colours which are made by mixing 2 primary colours.</td></tr></table>		Key vocab	Definition	abstract	Art work made from colour, shape, and pattern, rather than objects you recognise.	composition	Where shapes or objects are placed in a picture.	primary colours	red, yellow, blue – colours which cannot be created by mixing other colours.	secondary colours	Orange, green, purple – Colours which are made by mixing 2 primary colours.
