

Inspiring children to be resilient and aspirational learners, within a positive and considerate community

Subject: RE	Year group: 1 Term: Summer 2	Title: How might beliefs about creation affect the way people treat the world? Key Question (to be used all year): What do people say about God?
--------------------	-------------------------------------	---

What should I already know? • To know that Muslims believe that their bodies are Allah’s property but are gifted to them to look after. • To know that Muslims must act and dress modestly. • To know that Muslims obey Allah. • To understand the importance of prayer.	Facts I will learn: • Muslims believe in one God- Allah. • Muslims believe that Allah is the creator of the world. • Islam teaches that humans should be caretakers of the planet. 	Key questions: • How should we treat the environment? Why is it important? • How might beliefs about creation affect the way people treat the world? • What does it mean to be a caretaker? • Why should I care for the world?										
Key Skills: • Reflect on how they treat the natural world. • Talk about their own experiences and feelings about the natural world. • Talk about what is important to them in the natural world and discuss how they can improve it.	Experiences that school will provide: • To go on a nature walk and talk about parts of nature they enjoy. On the walk, collect leaves and other natural materials to create a collage or print picture. • Make links between Geography-protecting out world. • Interview Site manager about his job role.	<table><tr><th>Key vocab</th><th>Definition</th></tr><tr><td>Allah</td><td>God.</td></tr><tr><td>Environment</td><td>The area around us.</td></tr><tr><td>Protect</td><td>To look after and care.</td></tr><tr><td colspan="2">Care, nature, natural, creation, Muslim, Islam,</td></tr></table>	Key vocab	Definition	Allah	God.
